

# MOONBOX IO SHELL 25

Product card – Front Moon Box IO SHELL 25,  
scale 1:1

# A3

format

### Attention!

**Check the dimensions of the template after printing!**

Printers can automatically scale the printout, which in the case of technical templates can lead to errors. It is always a good idea to carefully check the dimensions of a template after printing before starting work. Taking a few minutes to check can save hours of rework and unnecessary waste of material.
