

# MOON **BOX IO SHELL 40**

Product card – Front Moon Box IO SHELL 40,  
scale 1:1

2x **A3**  
format

## Attention!

### Check the dimensions of the template after printing!

Printers can automatically scale the printout, which in the case of technical templates can lead to errors. It is always a good idea to carefully check the dimensions of a template after printing before starting work. Taking a few minutes to check can save hours of rework and unnecessary waste of material.
